

# Your annual meeting is going to look a little different this year

Your friends at Franklin REC are planning a drive-through annual meeting for April 6! Plan to stop by, vote in the director elections, and receive a gift. All voting members will receive a \$20 bill credit.

Watch for more detailed information from us in the mail, in your email, on Facebook, and on our website. Be sure to listen to KLMJ for information, too.

This summer we are planning to hold a member appreciation day—more information to come!
