

New Meter System Benefits

THE NEWLY INSTALLED ITRON/TANTALUS METERING SYSTEM OFFERS NUMEROUS BENEFITS TO YOU AND THE COOPERATIVE!

- Real-time usage data available via SmartHub app, updated every hour.
- Learn your usage habits by using the SmartHub app-- it could help lower your bill!
- Constant communication between individual meter and Franklin REC, notifying Franklin REC of any interruptions in service.
- Faster outage response due to integration and automatic reporting from the meter to Franklin REC's Outage Management System.

IT IS STILL NECESSARY TO REPORT OUTAGES TO FRANKLIN REC AT (641) 456-2557.
