

FRANKLIN REC ALTERNATIVE ENERGY FUND

Franklin REC's voluntary Alternative Energy Program gives members the opportunity to support Iowa renewable energy projects. Member contributions help fund alternative energy production facilities and promote the growth of nontraditional energy generation in the state.

This is a one-time contribution or a monthly pledge automatically added to your monthly bill in \$1 increments.

Alternative Energy Fund Authorization Form

One-time contribution \$ _____

Payments made payable to Franklin REC.

Monthly contribution \$ _____

This amount will be automatically applied to your monthly electric bill.

You may opt in or out of the program at any time.
