How to Read Your Franklin REC Bill

Your Account Information

1

This section displays your Account Number, Account Name, Billing Date, and the Primary Phone Number associated with your account.

Account Balance

2

This section provides a quick overview of your account balance. If your account is delinquent, the circle will appear red, and the delinquent balance will be displayed below the printed account balance.

Billing Notices

3

This section contains important account notices. If you are enrolled in auto-pay, it will indicate the date of your upcoming payment. If your account is delinquent, it will display the outstanding balance and due date. Patronage allocation details will appear here when applicable to your membership. For budget billing participants, this section will provide updates on your new budget amount in June and December.

Service Details

4

This section displays your billing cycle dates, meter number, previous and current meter readings, total kWh used during the billing cycle, meter rates, and service description.

Details of Charges

5

This section calculates the charges based on the details from the Service Details section. Each meter is billed according to its respective rate. To learn more about Franklin REC's rate structure, please visit our website.

Activity Since Last Billing

6

This section provides a detailed summary of your account's balance transactions for the month. Any bill adjustments applied to your account will also be reflected here.

Payment Options

7

This section outlines Franklin REC's accepted payment methods, including options for online payments and our secure payment line. For detailed information on these options, please visit our website.
